

2016 SANGIOVESE

VINTAGE

Our Sangiovese is produced in small quantities and offered on a limited basis. In 2016 we were again blessed with ideal growth cycle that results in a light-bodied wine with big flavors that erupt in the mouth while retaining a lighter feel than the other red wines we produce.

VINEYARD

This single acre vineyard sits atop a river canyon enjoying constant breezes and full sun exposure. Planted on a steep slope of decomposed granite soil, the vineyard is tended similar to our heritage vines, head-pruned and dry-farmed. This traditional practice keeps yields low to moderate while intensifying fruit characteristics.

TASTE

Aromas of cherries, vanilla, and hints of cinnamon greet the nose. Bright cherries and cola burst onto the palate with elegant acid and tannins. The finish is light and airy. Enjoy!

WINE STATISTICS

- Harvest: September 2, 2016
- Brix: 24.7°
